That's all folks! There are 40 points on offer; answers are on the other sheet, tot up your scores and see how you fare below...

**0 - 15:** You're clearly more interested in riding your bikes than you are in reading about them, or you weren't even born in the 90s. Either way, good for you.

**16 - 25:** You know your Bryceland from your Berrecloth and can call yourself a mountain biker.

**26 - 35:** You either have a fantastic memory, an eye for detail, or you need to get out more.

**36 - 40:** It sounds like you're a lifer with (Magura) Blue Blood running in your veins. Are you Chippis' long-lost twin?
